

SHORTLIST OF CANDIDATES SELECTED

Following the completion of Step 1 of the evaluation process, **a shortlist of candidates has been selected to progress to Step 2**, consisting of online interviews. The table below presents the shortlisted candidates, noting that some have been selected for a single project, while others have been considered for two projects based on their profiles. All shortlisted candidates will be contacted individually via email to arrange a suitable date and time for their interview.

In addition, a guidance document will be provided to support candidates in preparing for the interview process. Candidates are encouraged to read this document carefully.
